Mayor's Message

Christopher C. Louras, Mayor

This past year has been one not marked by any single overriding theme for the City of Rutland, but by a series of independent yet equally important events which reflect that we continue to progress as a community and as a municipality.

Though the fiscal year ending June 30, 2010 began with difficult but necessary decisions which were required to control spending, the corresponding reduction in the tax rate once again highlighted the ability of the City to squeeze every possible efficiency out of its work force. This focus on efficiency was again evident in the spring of 2010 when the Department of Public Works completed a reorganization effort which will ultimately result in more than \$100,000 annual savings to Rutland's taxpayers. Additionally, Fiscal Year 2010 saw further increases in Rutland City employee healthcare contributions as we work toward the goal of parity with the private sector and the norm for the average Rutland resident's health care costs.

It is understood that, especially during difficult economic times, the key to mitigating any increased costs to govern and manage the City lies in growing our tax base. The Rutland Redevelopment Authority in 2010 began a mission reassessment which will result in a renewed focus on increasing the grand list, eliminating blight and concentrating on projects that will ultimately reduce residents' tax burden and increase our quality of life.

Town Meeting Day in March saw the voters approve, though narrowly, the City's first budget to appear on the ballot following the previously approved Charter change. The taxpayers decided that they, and not the Board of Aldermen, deserved the final say on the annual general fund budget, and they said "Yes" when given the choice of whether or not to support the level of services that they have come accustomed to and deserve, including investments in energy efficiency, a modified duty program and paving projects.

The Police Department was confronted with a number of personnel and policy issues during this past year which resulted in disciplinary and legal action. The City and the Police Department, though admittedly intent on addressing those matters within the bounds of both the law and moral justice, determined that intra-departmental practices needed to be reassessed. The Department, through the leadership of the Police Commission, is intent on instituting changes to policy and following best management practices which will preserve and strengthen the public trust and confidence in our law enforcement professionals.

In conclusion, I must state emphatically that this next year will be marked as well by progress. The City will continue to seek ways to deliver the essential services in the most productive manner possible, while not losing sight of the fact that our critical infrastructure needs can no longer be ignored. I have found that Rutland City residents are very generous with their tax dollars, providing that they feel that they are getting a positive return on their investment. Taxpayers this past year have found that a municipality can operate both efficiently and effectively, and my administration will ensure that Rutland City sustains its drive toward continued cost effectiveness.

Report of the President of the Board of Aldermen

David Allaire, President

To the Citizens of the City of Rutland:

It is with pleasure that I submit the report of the Board of Aldermen. In March, the Board welcomed Ed Larson to the Board, as well as several returning members who won re-election. As well, the Board welcomed Sean Sargeant, who was appointed to replace Joanne Slattery, who resigned for health reasons. We wish Joanne well.

The Board of Aldermen has been busy with many different issues over the last year. For the first time, the Board received the City Budget in November. The Board held hearings in December to hear Department Heads defend their budgets, and subsequently sent the Budget to the Voters for their approval. The Budget passed on the first try in March, 2010.

The Board of Aldermen continued to look at the structure of City Government, and with the help of two sub-committees made up of Board members the citizens, continue to look at how we operate, and what possible changes might be suggested to change the City Charter with approval by City Voters. Look for possible Charter change questions in November 2010 or March 2011.

Lastly, the Board of Aldermen and the City at large were confronted with major issues with the Rutland City Police Department. I write with confidence that the Board of Aldermen have acted fairly, have represented the concerns of City Taxpayers, and will continue to address the situation until all the issues, past and present, have been brought to a successful conclusion. We strongly believe in the honor and integrity of the Rutland City Police Department, and will work to continue to help the men and women of the Department fulfill their duty and bring pride to the community.

On behalf of the Board of Aldermen, thank you to the Administration, the Department Heads, all City Employees, and thank you to the Citizens of the City of Rutland.

Rutland City Board of Aldermen

Americans with Disabilities Act (ADA)

Lisa Pearson, ADA Coordinator

ADA Coordinator

In accordance with Title II, of the Americans with Disabilities Act (ADA), the City of Rutland has designated an ADA Coordinator to oversee and coordinate the efforts of the City of Rutland to comply with Title II.

Lisa Pearson
ADA Coordinator
City Hall - One Strongs Ave
City Attorney's Office, 2nd Floor
Rutland, VT 05701
(802) 770-5366
Email: lisap@rutlandcity.com

The City of Rutland can be reached by telecommunications devices for the deaf through the Vermont Relay Service by dialing 711 or 1-800-253-0191 (TTY). Their website is: <http://www.vermontrelay.com>

The ADA Compliance Office is located in City Hall, One Strongs Avenue, 2nd Floor, City Attorney's Office, Rutland, VT 05701. In accordance with the Americans with Disabilities Act of 1990, the ADA Coordinator is responsible for ensuring that all programs, services, and activities provided by the City of Rutland are accessible to people with disabilities.

Notice under the Americans with Disabilities Act

In accordance with the requirements of Title II of the Americans with Disabilities Act of 1990 (ADA), the City of Rutland will not discriminate against qualified individuals with disabilities on the basis of disability in its services, programs or activities.

Employment: City of Rutland does not discriminate on the basis of disability in its hiring or employment practices and complies with all regulations promulgated by the U.S. Equal Employment Opportunity Commission under Title I of the ADA.

Effective Communication: City of Rutland will generally, upon request, provide appropriate aids and services leading to effective communication for qualified persons with disabilities so they can participate equally in the City of Rutland's programs, services and activities, including qualified sign language interpreters,

documents in Braille, and other ways of making information and communication accessible to people who have speech, hearing or vision impairments.

Modifications to Policies and Procedures: City of Rutland will make all reasonable modifications to policies and programs to ensure that people with disabilities have an equal opportunity to enjoy all of its programs, services and activities. For example, individuals with service animals are welcomed in City of Rutland offices, even where pets are generally prohibited.

Anyone who requires an auxiliary aid or service for effective communication, or a modification of policies or procedures to participate in a program, service or activity of the City of Rutland, should contact the office of the City's ADA Coordinator at (802) 770-5366 as soon as possible but no later than 48 hours before the scheduled event.

The ADA does not require the City of Rutland to take any action that would fundamentally alter the nature of its programs or services, or impose an undue financial or administrative burden.

Complaints that a program, service or activity of the City of Rutland is not accessible to persons with disabilities should be directed to the City's ADA Coordinator at (802) 770-5366.

City of Rutland will not place a surcharge on a particular individual with a disability or any group of individuals with disabilities to cover the cost of providing auxiliary aids/services or reasonable modifications of policy, such as retrieving items from locations that are open to the public but are not accessible to persons who use wheelchairs.

Grievance Procedure Under the Americans with Disabilities Act

This Grievance Procedure is established to meet the requirements of the Americans with Disabilities Act. It may be used by anyone who wishes to file a complaint alleging discrimination on the basis of disability in employment, practices and policies or the provision of services, activities, programs, or benefits by the City of Rutland.

The complaint should be in writing and contain information about the alleged discrimination such as name, address, phone number of complainant and location, date, and description of the problem. Alternative means of filing complaints, such as personal interview or a tape recording of the complaint will be made available for persons with disabilities upon request.

The complaint should be submitted to the grievant and/or his/her designees as soon as possible but no later than 60 calendar days after the alleged violation to:

ADA Compliance Office
c/o Lisa Pearson
City Hall - One Strongs Avenue
City Attorney's Office, 2nd Floor
Rutland, VT 05701
(802) 770-5366
lisap@rutlandcity.com

Within 15 calendar days after receipt of the complaint, the ADA Compliance Office will meet with the complainant to discuss the complaint and the possible resolutions. Within 15 calendar days of the meeting, the ADA Compliance Office will respond in writing, and where appropriate, in format accessible to the complainant, such as large print, Braille, or audio tape. The response will explain the position of City of Rutland and offer options for substantive resolution of the complaint.

If the response by the ADA Compliance Office does not satisfactorily resolve the issue, the complainant and/or his/her designee may appeal the decision of the ADA Compliance Office within 15 calendar days after receipt of the response to the Mayor's Office.

Within 15 calendar days after receipt of the appeal, the Mayor, or his designee will meet with the complainant to discuss the complaint and possible resolutions. Within 15 calendar days after the meeting, the Mayor or his designee will respond in writing, and, where appropriate, in a format accessible to the complainant, with a final resolution of the complaint.

All written complaints received by the ADA Compliance Office, appeals to the Mayor's Office, responses from the ADA Compliance Office and the Mayor's Office will be retained by the City of Rutland for at least three years.

Meeting Accommodations - Public Meeting Statement

It is the policy of the City of Rutland that all City-sponsored public meetings and events are accessible to people with disabilities. If you need assistance in participating in a meeting or event due to a disability as defined under the ADA, please call the City's ADA Coordinator at (802) 770-5366 at least three (3) business days prior to the scheduled meeting or event to request an accommodation.

Report of the Assessor's Office

Barry J. Keefe, City Assessor

To the Citizens of the City of Rutland:

I am pleased to submit the annual report of the Assessor's Office for the fiscal year ending June 30, 2010.

The Grand List at April 1, 2010 totaled \$1,009,562,930 which reflects a net increase from April 1, 2009 of \$3,668,302 or 0.36 %. We currently have 5941 parcels of taxable real estate totaling \$969,331,800. The balance of the Grand List is Business Personal Property totaling \$40,231,130. Due to a sluggish economy, property transfers have been down in the past year. Generally, it does not appear that sales prices have plummeted as has been reported in other parts of the country. Through the State property tax rebate program based on income sensitivity, the City received directly \$2,467,364.41 to be applied to individual tax bills. The total number of taxpayers affected is 2,323 or about half of the residential homeowners. The average amount applied is \$1062.15.

Thanks to my secretary, Marlies Washburn for her support and service to the public.

Report of the Building and Zoning Department

James P. Simonds, Building Inspector and Zoning Administrator

Annual Report - July 1, 2009 - June 30, 2010

		Value
Certificates of Occupancy Issued:	1,120

Report of the Cemetery Commission

Chris Book and Tom Giffin, Cemetery Commissioners

To the Mayor of Rutland, Honorable Board of Aldermen and Citizens of the City of Rutland:

Rutland City is responsible for the care and on going maintenance of the following cemeteries; West Street Cemetery on West Street, Old Congregational Cemetery on North Main Street, Old Reformatory Cemetery behind the Northwest School and the Poor House Cemetery located at the transfer station site off Gleason Road.

The Vermont Department of Corrections work crew continues to provide mowing and some maintenance for Rutland's burial grounds. This year's cost to the city was \$2,000. Thanks to DOC Rutland Field Director, Mike O'Malley and work crew leaders for their continual efforts in the cemeteries. The financial cost to the city is minimal.

The Poor House Cemetery site continues to evolve. The cemetery has been cleared of debris and leveled off. As of this report the commissioners are still awaiting grass being planted at the site and a fence to protect the area from future degradation. If interested in the history of the Poor House site, go to the Rutland Historical Society's web site under "Historical Miscellany."

This year 12 veteran stones from the Civil War and Revolutionary War have been procured and have been or will be replaced with government provided granite memorials at the West Street and Old Congregational Cemeteries. Again, thanks to Barbara and Clifford Giffin and other volunteers for their ongoing research, documentation and application process that is required before the replacement monuments are approved and delivered to the city. The veteran's names are:

Cephas Smith Jr. Esq., Revolutionary War
Hale Jonathan Bell, Revolutionary War
Moses Hale, Revolutionary War
Daniel Squire, Revolutionary War
Jehiel Andrews, Revolutionary War
Benjamin Cheney, Revolutionary War
Alvin C. Bailey, Civil War
Col James Claghorn, Revolutionary War
Asa Hale, Revolutionary War

Levi Long, Revolutionary War
Luther Shaw, Revolutionary War
Arunah A. Long, Civil War

The Daughters of the American Revolution continue to place flags on Vermont veterans' graves every spring at the West Street and Old Congregational Cemeteries. Having crisp, newly placed flags at the West Street Cemetery where Rutland's Memorial Day celebration was held certainly added to patriotic atmosphere.

The city's historic cemeteries attract individuals from around the state/country who are interested in personal genealogy and Rutland's history. The founding members of Rutland City (and Vermont) are buried in these small city plots. It is unfortunate that Visitors walking through Rutland's cemeteries see burial grounds that are in need of much attention. However, this has been the history of Rutland's upkeep of its cemeteries. for over 117 years. I quote from Rutland Herald July 20th, 1931, article "West Street Cemetery Improvement urged ever since Rutland Became City, 1893."The first complaint in the city records about this cemetery, which is one of Rutland's oldest, was made in 1894 by the commission... "The attention of this commission is called to the three small cemeteries within city limits, including the West Street Cemetery, which, neglected in many ways are an offense to the enterprise and public spirit of the inhabitants of any well-ordered city."

Rutland Cemeteries are in need of much restoration. Acid rain, vandalism and Vermont's harsh winters have taken a toll on many of the old marble monuments. In the city. The commission encourages citizens or anyone interested to make a financial donation to help in the restoration effort of our Rutland historical burial grounds Send to it can be sent Rutland Historical Society Attn: cemetery account. 96 Center St. Rutland VT. 05701

Respectfully submitted
Chris Book, Cemetery Commissioner
Tom Giffin, Cemetery Commissioner

Report of the City Clerk's Office

Henry A. Heck, City Clerk

To the Citizens of the City of Rutland:

I respectfully submit the following Annual Report for the Rutland City Clerk's office for the year ending June 30, 2010.

Fiscal Year 2009-2010. With a full year under my belt as the City Clerk, we saw minimal change here in the office. We did return to recording land records through Access as we had a problem with our previous land record vender. I'm happy to say we have just signed on with COTT Systems and will be utilizing their software for future land record recordings. I want to thank Susan Clark (Deputy Clerk), Patty Carbine (1st Assistant), and Sara Magro (Purchasing Agent, Assistant Clerk) for all their support. I would like to thank the staff at City Hall and all department heads especially City Attorney Andrew Costello for all his help. I'm looking forward to continuing the computerization of land records and updating procedures, making our office more efficient. I would like to thank Mayor Louras and the Rutland City Board of Aldermen for their confidence in me to perform the duties of City Clerk. I look forward to serving the citizens of Rutland City.

Henry A. Heck,
Rutland City Clerk

Reported Revenue from the Clerk's Office for Fiscal Year 2009-2010 Total \$212,814

Vital Records (copies & vault time):

All certified copies of Birth certificates, Deaths certificates, Marriage and Civil Union licenses are available for \$10.00 per copy as set by the State of Vermont. Uncertified copies are available for \$2.00/copy. Vault time is charged at \$2.00/hour.

Vital records recorded in Fiscal Year 2009-2010:

Births.....461
Deaths.....487
Civil Union/Marriages.....125

Land Records:

3,919 visitors used our vault. All land records are available for \$1.00 per page for each copy. Certified land records are \$10.00 per page and vault time is charged at \$2.00 per hour.

Recording Fees:

10,730 pages of land records were received and recorded. The cost of recording land records is \$10.00 per page, as set by the State of Vermont.

DMV Registration Renewals:

96 DMV renewal registrations were processed. There is a \$3.00 cash fee to process your renewal.

Business Licenses:

The following business licenses were issued, generating \$31,756 in revenues. Business Licenses are valid from May 1st until April 30th of each year:

Restaurant & Victual Establishments.....	113
Bowling Alley.....	1
Theatres.....	2
Hotels, Motels & Inns.....	7
Circuses, Carnivals, Shows & Fairs.....	15
1st Class Liquor Club/Cabaret License.....	24
1st Class Liquor Restaurant License.....	24
2nd Class Liquor License.....	33
Outside Consumption Liquor Permits.....	22
Entertainment Club Permits.....	18
Tobacco Licenses.....	31

Dog Licenses Issued:

1,103 dogs were registered. Of that, 1005 were spayed / neutered. Dogs must be registered by April 1st of each year and a current rabies certificate is required. After April 1st, late charges apply. The city's revenue portion is \$10.00 per license.

License fees are as follows:

Spayed/neutered fee before April 1st \$13.00; After April 1st \$16.00
Un-spayed/un-neutered fee before April 1st; \$17.00; After April 1st \$22.00

For those of you who are unable to come down to the City Clerk's Office to register your dog(s), mail us the postcard we send you along with a current rabies certificate and proper payment.

Once we receive and process this information, we will mail your dog license and tag. We hope this will make it easier for those who are unable to come in to register their dog(s).

Elections:

March 2, 2010 Annual City Election

Changing your voting address or registering to vote:

If you are registered to vote in Rutland City and have moved to a new address within the City you may change your voting address over the phone by calling our office at 773-1800 and press 5.

If you have moved to Rutland City from another town or state you can stop by our office up to 10 days before any election and register to vote. It only takes a few minutes to register.

Results from March 2, 2010, Annual City Election

Total Rutland City Voters on the Checklist: 11,171

Total Ballots Cast for the Local Election: 3,964 (35% voter turnout)

Total Absentee Ballots Mailed: 522

Total Absentee Ballots Returned and counted: 438 (84% return rate)

The following officials were elected to office:

ALDERMEN: David Allaire, Edward Larson, William Notte,
(2 year term) Sharon Davis, Christopher Robinson.

SCHOOL COMMISSIONERS: Christopher Book, Hurley Cavacas Jr.
(3 year term) Collin Fingon, Erin Shimp

WARD OFFICERS:**Ward 1 Election Officers**

Ward Clerk: Janet F. O'Brien
1st Inspector: Shirley M. Davidson
2nd Inspector: Mary Lamothe
3rd Inspector: Nancy B. Caggige

Ward 2 Election Officers

Ward Clerk: Richard Blongy
1st Inspector: Beth Kiernan
2nd Inspector: Joyce B. Blongy
3rd Inspector: Donald Bosten

Ward 3 Election Officers:

Ward Clerk: Hurley R. Cavacas, Jr.
1st Inspector: Terry D. Cavacas
2nd Inspector: Denise Caggige Leach
3rd Inspector: Mary Anzalone

Ward 4 Election Officers:

Ward Clerk: Paul Crossman Jr.
1st Inspector: Jane Kendall
2nd Inspector: Patricia J. Kohl
3rd Inspector: Elaine Fitzsimmons

All Election Officers are 2 year terms

We here in the Clerks Office look forward to serving the citizens of Rutland City. We also recognize the challenges ahead of us and look forward to meeting them. Please remember that our web site www.rutlandcity.com contains valuable information on all City departments, Charter and Ordinances, Minutes of the Board of Aldermen and general information on the City of Rutland. Again we look forward to serving your needs in the upcoming year.

Respectfully Submitted,
Henry A. Heck
Rutland City Clerk

Department of Public Works

Alan J. Shelvey, P.E., L.S., Commissioner of Public Works

To the Honorable Board of Aldermen and Citizens of the City of Rutland:

I hereby submit the annual report of the Department of Public Works for Fiscal Year 2009-2010.

Please refer to the reports from the various Divisions for information regarding the Department's activities.

Perhaps the most significant development during the year was the re-organization of the management of the Department in response to changes that have occurred over the past several decades.

Since I joined the Department in 1972, the staff (not including the Wastewater Treatment Plant) has been reduced by 36% with a corresponding decrease in equipment. Those remaining have had to learn to work harder and smarter. While technology has certainly helped, it has been the willingness of the crews to step up that has allowed us to keep our head above water.

This new reality required an increased sharing of resources across the autonomous Divisions. While this has worked moderately well, it became evident that the Divisions needed a unified management structure in order to better utilize the available resources. Therefore effective May 3, 2010, the management structure for Streets, Equipment Maintenance, Wastewater Collection and Water Distribution Divisions was consolidated under the general management of David Sears, Projects Manager. It is the Projects Manager's responsibility to coordinate the efforts of the various Divisions. It is the responsibility of the crews and their leaders to accomplish the work. Thus far, all have lived up to those responsibilities.

I greatly appreciate the ongoing cooperation of the DPW employees and their Union in this effort. Thanks to their professionalism and commitment, we have seen improvements in both efficiency and economy to the benefit of Rutland's citizens.

The Divisions discussed above are those that are seen on the streets, maintaining and improving Rutland's infrastructure. There are two other Divisions, Water Treatment and Wastewater Treatment, whose employees work unseen and unheralded making the delivery of those services as reliable as the men providing them. They deserve our gratitude and respect as does the Administration Division that ties it all together.

The Department also appreciates the patience and cooperation of the citizens,

particularly the traveling public and business owners, during the disruptions and inconveniences foisted upon them by our activities throughout the year. Although annoying, they understand that these tribulations are part of building a better Rutland.

Public Works will continue to serve the citizens of Rutland to the best of its ability with the resources available.

Engineering Division

Evan D. Pilachowski, P.E., City Engineer

Peter T. Kelley, Engineering Technician

The Engineering Division provides engineering and technical services for each Division of this and other Departments within City government. In addition to this routine work, several projects were addressed in 2009-2010.

The Division continues working with several entities to address stormwater runoff in order to improve water quality in the City's streams and brooks. These stormwater activities have been accomplished using a combination of State and Federal grants and private donations. Three examples of projects and purchases that occurred during this fiscal year are the Stratton Road drainage improvements near Paint Mine Brook, Allen Street drainage improvements near the hospital, and the purchase of a new high efficiency street sweeper which will reduce sediment and debris entering local streams and the wastewater treatment plant.

Like most old New England communities, Rutland's aging infrastructure continues to present challenges. There are miles of sewer and water mains in use today that are over 100 years old, numerous bridges and culverts that will need to be replaced in the coming years, and a stormwater system that during extreme rainfall events has caused damage to public and private property and resulted in the release of untreated wastewater into waters of the state.

The City was fortunate to receive funding through the American Recovery and Reinvestment Act to address areas on Crescent St and West St that were in critical need of sewer and storm sewer repair. Work on the Crescent St project completed prior to the end of this fiscal year uncovered several small water leaks and sink holes over the existing sewer. These problems would have gotten worse with time and would have required emergency repairs in the future. These unplanned repairs divert resources from other areas of need and are more expensive and inefficient than scheduled repairs. To avoid the expense and inefficiencies of responding to emergency situations, it is imperative that a serious commitment of resources be made to address the infrastructure needs in the city.

The temporary bridge remains at Ripley Road over Otter Creek. We continue to

work with Vtrans to advocate for the prompt replacement of Dorr Bridge, Ripley Bridge, and Forest St Bridge. Other City and regional projects for which the Engineering Division has provided assistance and support include the Routes 4 & 7 Upgrade between West St and Strongs Ave, Landfill Post Closure, CSO monitoring, a drinking water quality analysis for disinfection by-products, a wetland restoration project in Mendon, energy efficiency improvements at the wastewater treatment plant, annual city bridge and culvert inspections, various stormwater permit compliance activities, downtown decorative lighting projects, and numerous private sector projects within the City.

Forestry Division

David Schneider, City Forester and Arborist

Major Accomplishments:

Watershed and Timber Management

Forested lands within the City's property holdings in Mendon are managed for multiple uses, with the highest priority of providing a reliable supply of clean water to the Water Treatment plant for the City's potable water supply. To a great extent, this is accomplished by restricting motorized public access and minimizing soil disturbances from timber management activities. During the fiscal year, approximately 250,000 board feet of spruce timber yielding over \$18,000 in revenue was harvested from plantations dating from the late 1920's under approved Best Management Practices. Repainting of approximately 2.5 miles of property boundary lines in Compartments 1, 2 and 14 was also completed during the year. Watershed lands are open to non-motorized recreational opportunities that include hiking, fishing and hunting. For the first time, an agreement with the Vermont Association of Snow Travelers has allowed for a snowmobile trail to traverse watershed lands, connecting existing trails in Shrewsbury and Chittenden in an effort to enhance winter recreation opportunities and their related benefits to the local economy. The Catamount Ski trail also crosses the City watershed and continues to offer superb backcountry skiing experiences.

Urban Forest Management

Rutland City celebrated its 17th anniversary as a Tree City, USA during Arbor Day ceremonies held in Montpelier in May and continues to be Vermont's longest running community awarded this honor. Our local Arbor Day was celebrated with tree plantings at the Success School on Allen Street. Managing Rutland's shade trees is a continual process that involves removing dead or dying trees and replanting areas for following generations. Fifty two trees were removed, of which thirty three required contracted local tree services. Two hundred twenty four trees were pruned to improve form, aesthetics and public safety with an additional twenty six trees requiring contracted services to reduce hazardous conditions. Sixty one trees were planted, with thirty two trees originating from the City's shade tree nursery, bringing the total number of trees pro-

duced from the nursery to four hundred seventy eight since 1996. Eight storm events occurred during the year; most of these resulting in light to moderate damage that was cleaned up within twenty four hours of the event.

The Forestry Division continues to assist other divisions within the Department as required. The Division continues to provide educational offerings with local schools, garden clubs, and UVM's Master Gardener and Stewardship of the Urban Landscape programs. The City Forester serves on the State of Vermont Department of Forests and Parks Urban and Community Forestry Council and maintains Arborist certification with the International Society of Arboriculture.

Street Division

Dan Maniery, Foreman

The Street Division is responsible for street, sidewalk maintenance and winter street maintenance. We also install, repair and service all the parking meters in Rutland's Downtown area.

Replaced approximately 300 feet of hazardous sidewalk on Roberts Avenue.

Reclaimed, graded, and paved 360 feet of Stratton Road after a new storm system was installed by Wastewater Collection Division (WWCB).

Reclaimed, graded, and paved 100 feet of Park Street after Water Distribution installed a new water main at Mussey Brook.

Repaired bridges at North Street, Pearl Street, Baxter Street, Grove Street, and Adams Street.

Installed 1,500 feet of curb and constructed sidewalk improvements on Allen Street after new storm system was installed by WWCB. Also reclaimed street and graded for paving.

Installed 450 feet of new curb, sidewalk, lamp bases, and conduit on Strongs Avenue in a continuation of the Downtown Ornamental Street Lighting Program, funded with a grant from the State of Vermont with a local match of labor and equipment provided by DPW.

We experienced a rather mild winter in 2009-2010 with \$167,000.00 having been spent of road salt.

As in previous years, we also performed work for the Recreation Department which include improvements at Rotary and Giorgetti Park and re-built the gazebo at the Godnick Center.

Wastewater Collection Division

Steve Davine, Foreman

The Wastewater Collection Division is responsible for the installation, maintenance and repair of all sanitary sewer mains, and the stormwater collection system including all manholes and catch basins.

Work completed, in addition to on-going maintenance, included:

Repaired the catch basins on West St. hill and installed aggressive grates in order to catch more of the storm water that comes down West St.

Repaired or replaced 18 deteriorated brick or old concrete manholes throughout the City.

Installed approximately 300 feet of new storm sewer to correct a long-standing drainage problem on Stratton Road south of Paint Mine Brook.

In April we began a project on Allen St. to install approximately 900 feet of PVC pipe and 9 catch basins to help eliminate another chronic stormwater runoff problem.

During the course of our regular maintenance duties we cleaned several thousand feet of sanitary and storm mains along with the associated manholes and catch basins.

Near the end of FY10 WWCB two longtime City employees began their well-earned retirements.

We would like to take this opportunity to thank Paul Julius and Bradley Fredrick, for their combined 70 plus years of service to the City of Rutland.

Water Distribution Division

Joseph Gallipo, Foreman

The Water Distribution Division is responsible for the installation and maintenance of all water mains in Rutland City and maintenance of the water system for Rutland Town by contract. The Department is also responsible for the installation, service, repair and flushing of approximately 650 fire hydrants in the City and the Town.

In August we began and completed a project on Park St. at Mussey Brook to connect the water main that had been disconnected several years ago because of a

broken pipe under the bridge. This project consisted of installing new pipe under the brook on the north side of the bridge with the co-operation of Vermont Agency of Natural Resources. This project substantially increased fire flow for the west end of Park St.

We repaired 14 water leaks or water main breaks through out the year. We installed 11 new water service taps and installed or replaced 6 fire hydrants.

Water Treatment Division

Mike Garofano, Water Treatment Manager

Scott Taggart, Assistant Water Treatment Manager

The City of Rutland's Slow Sand Water Filtration Facility treated a total of 812,287,400 gallons of water during the last fiscal year. The chemicals used during the process were 3,200 gallons of fluoride, 3,200 gallons of zinc-orthophosphate, and 18,500 gallons of sodium hypochlorite.

The city spent approximately \$70,000 on regulatory operating fees, reporting, and sampling cost associated with State and Federal guidelines. The City and the Town of Rutland entered into an agreement where the City is responsible for water quality monitoring in the Town.

No special projects were completed this past year due to budgetary and time constraints. Our time was spent operating and maintaining the facility, grounds, and watershed as well as water quality monitoring in the distribution system.

Wastewater Treatment Division

Robert E. Protivansky, Chief Operator

During the fiscal year 2009-2010, 1,928,610,000 gallons of water passed through the Rutland Wastewater Treatment Facility. The annual average removal of pollutants as reported to the Environmental Protection Agency were:

Biochemical Oxygen Demand	97.1%
Total Suspended Solids	94.4%
Total Phosphorous	88.5%

To assist biological phosphorous removal 43,499 gallons of sodium aluminate were added to the treatment process.

To disinfect the final effluent, 41,594 gallons of sodium hypochlorite were added

and to de-chlorinate the final effluent 26,245 gallons of sodium bi-sulfite were used.

Electrical use was 1,573,000 KWH and methane generated by and used in the digester complex was 11,159,750 cubic feet.

Processing sludge from other communities realized approximately \$133,000 in revenue and \$15,230.00 for water tests were submitted to the Treasurer's Office.

We have concentrated a great deal on improving energy efficiency over the past year. Antiquated lighting has been replaced and occupancy sensors installed paid primarily through a Vermont Community Climate Change grant, and assistance from Efficiency Vermont. The projected savings is estimated to be \$4,000.00 annually.

Three twenty-five year old heat-circulating pumps were replaced with new energy efficient models and variable frequency drives were added to the belt filter presses which will reduce energy consumption and better control the flow to the units.

We have experienced changes in personnel this year; Gregg Casey and Martin MacDonald have chosen to retire. We would like to thank them for their many years of service and contributions. May they have long and enjoyable retirements.

Two new employees have been hired to fill their shoes and we welcome Wayne Wickens and Mark Breznick to the staff.

Report of the Fire Department

Robert Schlachter, Chief Engineer

It is again my privilege to report on the status of your Rutland Fire Department during the period July 1, 2009-June 30, 2010.

Your Fire Department at Work

The fire department responded to a total of 1886 calls for service. They are classified as follows:

Fires in Structures	71	Other Types of Fire	14
Hazardous Materials	109	Vehicle Fires	8
Rescue/EMS Assist	91	Hazardous Condition	98
Brush/Grass	5	False Alarms	252
Service Request	1333	Rubbish/Dumpster	12
Mutual Aid Given	12		

We responded to (51) Second Alarms, (7) Third Alarms (1) Fourth Alarm and (1) General Alarm. The General Alarm was at 16 Cottage Street. The department responded to a number of water emergencies during this period related to heavy rainfall.

Personnel

As of June 30, 2010 the department had 25 full time personnel and 18 part time personnel. During fiscal year 2010, substitute firefighters were used to maintain seven firefighters responding to fire calls. The department had three vacant positions that had not been filled due to the tight budgetary situation faced by the City during FY 2010.

Equipment

The department apparatus fleet consists of (4 engines) including one Quint (Ladder Equipped Engine and an Aerial Platform, two service utility vehicles, a fire alarm maintenance bucket truck, a Hazardous Materials/Decontamination Trailer and a Technical Rescue Trailer.

Services Provided

The department provides fire suppression, fire prevention/education, hazardous materials response at the operations level and decontamination. In addition we are trained and equipped to respond to technical rescue incidents involving extrication from vehicles and machinery, rescue from confined spaces, trench collapse and can perform rope rescue operations. The department provides contract fire protection to the Town of Mendon, several large businesses in Rutland Town and contract Crash/Fire/Rescue services to the Rutland Southern Vermont Regional Airport. In addition to emergency duties members maintain the municipal fire alarm system, maintain apparatus and equipment and the fire station and

grounds while on duty. The department also assists with community projects such as hanging banners downtown, and other community promotional efforts.

Training & Education

In addition to responding to calls for service from the public, employees spend hundreds of hours training, presenting public education programs, and conducting pre-incident planning for emergency responses. During this period, members of the department attended regular training to maintain their skills and state certification. They also attended specialized training in Hazardous Materials, Aircraft Crash Fire and Rescue, Technical Rescue Operations, Safety and a variety of other specialties.

Grants

The department has applied for and received over \$800,000 in state and federal grants over the past few years. These grants have allowed us to upgrade our communications system, purchase protective equipment for our members, replace our outdated emergency generator, and develop and maintain the ability to respond to special hazard calls such as hazardous materials, and technical rescue. The department continues to aggressively apply for grant funds; during FY 2010 the department applied for and was awarded Assistance to Firefighters Grant in the amount of \$95,080. The City share is 5% and is in the 2010 and 2011 Budget. This grant will allow us to update the pagers used to alert our personnel in event of a major fire or emergency, portable radios, some large diameter water supply hose, a thermal imaging camera, protective clothing for personnel fighting forest and grass fires, firefighter rescue training, an automatic External Defibrillator. We have one grant application pending at the time this report was prepared for the 2010 Federal Fire Act Grant. We will be applying for a Federal Fire Prevention Grant in the fall of 2010.

Chief Engineer & Emergency Management Directors Report

As your Chief Engineer, I work to make sure the Rutland Fire Department is trained, and equipped to handle the emergency situations that may affect Rutland. I attend many meetings representing the City and the Fire Department in the City of Rutland, in surrounding towns, at the Vermont Fire Academy in Pittsford, and in Montpelier and Waterbury. These meetings are important as to make sure Rutland is represented at the local, regional and state level for planning and to help obtain grants. I have also attended meetings of Rutland United Neighborhoods and other community groups as requested. In addition to my duties as Chief Engineer, I serve as City Emergency Management Director and represent the Fire Service on the Governors Homeland Security Advisory Council and the Vermont Enhanced 911 Board.

Emergency Management

Maintain and update the Rutland City Rapid Response Plan and Rutland City Emergency Plan. Attend monthly Local Emergency Planning Committee meetings LEPC # 2 covers all of Rutland County and assists with local, regional and

state level planning for all hazard response. Monitor possible sources of grant funding for City emergency preparedness projects. Respond to and assist in the coordination of services at natural and man made emergency situations within the City or Rutland and the Rutland Region.

Open Burning

We receive numerous complaints about people burning anything from brush to trash in the city. The following information is provided regarding open burning within the City of Rutland. Due to the fact that the City is so densely populated open burning is not permitted without a permit from the Chief Engineer. Such permits are only issued for the occasional bonfire at a school or college or for municipal emergency situations. Cooking fires are permitted but only clean untreated wood, charcoal or LP gas may be used for fuel. If an outside fire is creating a nuisance it may be extinguished by the department.

Fire Prevention

In closing as I write this report the winter heating season is approaching. Fires related to improperly installed and maintained heating equipment are a major problem in Vermont.

The Rutland Fire Department would like to offer some suggestions to the citizens of Rutland in an effort to prevent the loss of life and property due to fire.

- Install and maintain smoke alarms on every level of your home/apartment and in each sleeping room. Make sure they are working. If your smoke alarms are powered by a battery, change the battery every six months and test the smoke alarm regularly.
- Install and maintain Carbon Monoxide alarms in your home. Carbon monoxide is a deadly, colorless, odorless, gas that is produced by burning fuel. Carbon Monoxide alarms can alert you to the presence of this gas before it becomes a problem.
- Have your heating system inspected and serviced by a qualified technician before winter weather hits.
- If you burn wood or coal have your chimney cleaned and inspected prior to the heating season, then inspect and clean your chimney regularly during the heating season.
- Remove ashes in a covered metal container and place the container outside, well away from the house and other combustible materials. Do not vacuum ashes from fireplaces or stoves they may still be live and cause a fire.
- If you have gas fireplace(s) or heater(s) have them inspected and serviced by qualified gas technicians and make sure the venting system is in good condition and supply air intakes are clear of obstruction to reduce the pos-

sibility of Carbon Monoxide poisoning.

- The use of portable un-vented kerosene heaters is prohibited in rental units and is discouraged in private homes.
- LP gas heating units should be installed by a qualified technician.
- LP gas cylinders must not be brought into your home. Many types of LP gas heaters are available for purchase. Many of these are intended for utility and use outdoors in a workshop, shed or garage where there is plenty of combustion air. LP gas cylinders in living units are a hazard to the occupants and firefighters who may respond to an emergency and not know of their presence.
- Prior to installing any new heating equipment read and follow the manufacturers instructions. Professional installation by qualified people will reduce the chances of a problem.
- If you have any type of fire no matter how small call the fire department. Many structure fires start as chimney fires. If your smoke alarm or Carbon Monoxide alarm sounds call the fire department. Use a fire extinguisher only if you can do so safely and have an exit at your back and have someone call the fire department.
- Keep fuels such as LP Gas, Kerosene and Gasoline outside your home. Do not store them in the basement or in the house.
- If you use space heaters make sure they are in good condition and keep them away from things that may burn such as paper, plastic, clothing, furniture, and bedding.
- Electric heaters should have a label indicating listing by a recognized testing laboratory such as UL Underwriters Laboratories. Electric space heaters should be used in full compliance with the manufacturer's instructions. The use of extension cords for electric space heaters should be avoided.
- Space heaters of any type should not be left un-attended.
- Keep your exits clear of ice and snow and do not obstruct exits with furniture, storage items or appliances.
- Have an emergency escape plan make sure everyone in your home knows the plan and practices it. Have a designated meeting place away from the building.

For more information about fire safety contact the Rutland Fire Department at 773-1812. Members of the public are encouraged to visit the department during normal business hours. Tours can be arranged for school and community groups.

On behalf of the Fire Department, I would like to thank the Mayor, Board of Aldermen, City Hall personnel, the School Department, DPW, Recreation Department and all city officials and employees who assisted the Fire Department in any way during the past year. We again offer our thanks to the citizens of our city for their continued support of their Fire Department. Also a very special thank you to our mutual aid partners for their assistance, many times this past year with emergencies and special projects.

If you have any questions about fire safety, emergency preparedness, or the Rutland Fire Department please call us at (802) 773-1812.

Thank you, again to the citizens of Rutland for your support of the Rutland Fire Department.

Respectfully Submitted,
Robert Schlachter

Rutland Fire Department

Open Burning Information

Open Burning

Open burning other than small cooking fires is not permitted within the City of Rutland unless a permit is issued by the Chief Engineer. It is always a good idea to check with the department if you have a question.

The reason for this policy is that Rutland is a densely populated community with buildings close together. In addition to the possibility of a fire spreading to a structure there are concerns about air quality and the nuisance smoke can create for people with respiratory problems.

The policy on issuing burning permits is as follows:

The only permitted open burning in the city will be:

- Small fires for cooking, including clean untreated wood, LP gas or Charcoal are allowed without a permit.
- Fires for educational institutions or community events such as bonfires for sporting events. In the case of a bonfire the fire department stands by while the fire is in progress these fires are typically in more remote areas of the City.
- Emergency situations as directed by health officials or the Mayor.

The burning of trash, painted/treated wood, shingles, tires and similar materials is prohibited by state law. Only clean, untreated wood can be burned at a permitted fire. Persons who have un-permitted fires or are burning illegal materials are subject to being issued a ticket for violation of the open burning ordinance and may be subject to additional state enforcement actions.

Report of the Rutland Historical Society

Chuck Piotrowski, President

The Rutland Historical Society is an all-volunteer nonprofit organization that serves the community by collecting, preserving and sharing the history of our area. Over the past year we started our fifth decade of promoting the history of Rutland in our community and throughout the world. Here is a summary of the Society's activities over the past year.

In the Community:

The Society's commitment to the community continued unabated. Society members gave presentations to various groups in the area, including, but not limited to, Godnick Center Triad Program, PEG-TV, St. Joseph-Kervick Center, Loretto Home, Boy Scouts, Rutland South Rotary, Bardwell House, The Pines, and the Rutland County Association for the Blind. For the second year in a row the Society teamed up with Lake Sunapee Bank to present an interactive exhibit at Friday Night Live. While we participated in the Loyalty Day Parade, I regret to report to you the Society made a very difficult decision and chose not to march in the Halloween Parade due to inclement weather. Of special note this year was the Society's participation in helping the Killington Section of the Green Mountain Club celebrate the club's centennial.

In the Schools:

The Society endeavored to encourage Rutland youth to learn more about their past. The Society's research library was used by students of all ages. Classes visited the Society and Society members visited the many area classrooms, from elementary school to Castleton State College. Outside of the classroom the members led numerous historical tours for students.

In Vermont:

The Society continued its statewide leadership among local historical societies. The Society received an award from the Vermont Local History Societies/Vermont Museum and Gallery Alliance for its digital reproduction of the 1884 J.L. Beers Map of Rutland. The Society also participated in the Vermont History Exposition by creating a multimedia display called "Rutland: The Harvest Home." This display explored the history of Rutland through the lens of its, often overlooked, agricultural heritage.

In Print and on Disc:

"News from Nickwackett," the Society's Newsletter, and the Rutland Historical Society Quarterly, the Society's award-winning publication, were published regularly throughout the year. The Quarterly featured histories written by volunteer authors. Society members continued to write the weekly column, "Tidbits from

Then and Now" which are published in Sam's Good News. The Society expanded its digital publishing by digitizing its popular out-of-print publication, The Early Families of Rutland, an essential book for any historian of Rutland.

On Television:

The Society continued to produce its award-winning "Historically Speaking" program on PEG-TV. As of this report, 113 episodes of this half-hour television program have been recorded. PEG-TV broadcasts the current and most recent episodes on their website for a world-wide public.

On the Web:

The Society web page now averages 60,000 hits per month and has been viewed nearly 2 million times (www.rutlandhistory.com). The website continues to add free content for the community and the world to enjoy, including out of print issues of the Society's Quarterly. The website's free message board continues to be used by researchers from all over the world. The Society entered the social media world in 2010 by adding a Facebook page to keep the community abreast of events and issues relating to local history. It also put the Society President's address at the last annual meeting on "YouTube".

In the Movies:

Images and films from The Society's collection were used for the film documentary "The Blood In This Town". This movie chronicles Rutland's record-setting blood drive of 2009 as well as the milieu of contemporary Rutland. The Society's Nickwackett firehouse and its collection space were used as back-grounds for various interviews.

In the Society:

The Society's twelve committees maintained a high level of activity and progress throughout the year. We undertook very significant projects to process recent accessions, maximize our storage efficiency, improve our accession practices, and revitalize and digitize our finding aids. The Society continues to conduct valuable preservation scanning projects to save endangered collections.

Finally, I would like to take this opportunity to thank the people of Rutland for their unwavering support and our volunteers for their ceaseless efforts to improve the Society. We encourage all to visit us online and to visit our beautiful firehouse.

Respectfully Submitted,

Chuck Piotrowski,
President

Report of the Rutland Housing Authority

Kevin Markowski, Chairman - Board of Commissioners

Kevin L. Loso, SPHM - Executive Director

The Rutland Housing Authority (RHA) was created over forty-seven years ago to address "a shortage of safe or sanitary dwelling accommodations in the City of Rutland available to persons of low income at rentals they can afford" (City of Rutland, Board of Alderman, Resolution dated May 22, 1963). Funded under the programs of the Federal Department of Housing and Urban Development, RHA built and manages three properties, two for the elderly and non-elderly disabled at Templewood Court and Sheldon Towers with a total of 134 units and one for families at Forest Park with 75 units for a total of 209 units. Additionally, RHA administers 107 tenant based Section 8 Housing Choice Vouchers in the greater Rutland Area. Together these two programs serve over 500 of our most needy, at risk neighbors including some 150 children.

Each year the RHA is evaluated by the Department of Housing and Urban Development and has, almost without exception, been rated as a High Performer (highest rating) under HUD's assessment systems for both the Public Housing and the Section 8 Housing Choice Voucher programs. RHA has a long history of providing high quality service programs for our public housing residents. Thanks to funding from HUD and the Vermont Department of Aging and Independent Living we have one full time and one part time Resident Service Coordinator that together with our community partners provide a broad range of services designed to promote independence, healthy aging and family self sufficiency. Our Resident Services Program has been recognized by both the National Association for Housing and Redevelopment Officials (NAHRO) and the American Association of Resident Service Coordinators (AARSC) for program excellence and innovation.

Currently RHA, in partnership with Housing Vermont, is embarking on a total redevelopment of the Forest Park family public housing project utilizing a variety of private, state and federal funding including an ARRA stimulus grant. Starting in October of 2010 RHA will initiate phase one of the project which will result in the demolition and redevelopment of eight of the 17 buildings on the current site and the construction of seven buildings with a total of 33 new dwelling units. Once both phases are complete, this blighted, obsolete site will be converted to a mixed income community with 78 new rental units and 9 subsidized homeownership opportunities including new streets and infrastructure. This initiative will bring millions of dollars into the local economy and most importantly will have a transformative effect on the neighborhood and the community.

We would like to express our appreciation for the support that the Authority has received from all City Departments and the many agencies that have partnered with us to provide affordable, safe and high quality housing to the citizens of Rutland City.

As always we welcome your comments or suggestions. Please contact the Rutland Housing Authority at 775-2926.

Kevin S. Markowski, CPA - Chairman

Mary T. Mellow - Vice-Chairman

Karl C. Anderson, Esq. - Commissioner and Hearing Officer

James V. Richards - Commissioner

Mary E. Moran - Commissioner

Kevin L. Loso, SPHM - Executive Director

Report of the Legal Department

Andrew G. Costello, City Attorney and Grand Juror

To the Honorable Board of Aldermen and the citizens of the City of Rutland:

In the past year, the City Attorney's Office has continued to represent the City of Rutland in the various legal matters that present themselves to a city of our size. These matters include bringing and defending lawsuits, union negotiations and providing legal counsel to elected officials and employees.

The City of Rutland is currently involved in more than fifteen pending lawsuits. These cases include employment actions, appeals of tax assessments, and suits brought in relation to the actions of various city employees. The largest case that involved the city - dealing with the collapse of the roof at our water filtration plant - was settled during the past year. As part of this settlement, the city received \$3.8 million dollars from various defendants.

The City Attorney's Office also represents the city in negotiations with the three labor unions which represent the employees of the Police Department, Fire Department and Department of Public Works. Negotiations for the Police Department contract are currently in binding arbitration, while the Department of Public Works contract is being negotiated and the Fire Department contract will come up for negotiation soon.

The City Attorney's Office also has been active in assisting the Board of Aldermen, Planning Commission, and Development Review Board when dealing with legal matters. These duties are in addition to the day-to-day legal counsel provided to elected officials, appointed officials and city employees.

As always, I would like to thank administrative assistant Lisa Pearson for all her help during the past year.

Respectfully Submitted,

Andrew G. Costello
City Attorney

Report of the Rutland City Police Department

Anthony L. Bossi, Chief of Police

To The Citizens of Rutland City:

I am pleased to submit to you this Annual Report of the activities of the Rutland City Police Department for Fiscal Year 2010.

The Police Department has 39 sworn full time officers and 10 full time civilian positions. Sergeant Linda Elrick, Corporal Chris Kiefer-Cioffi and Parking Enforcement Thomas LaFond retired this year after many years of dedicated service to the City of Rutland. We wish them well in their retirement, they will be missed.

Total Part 1 and Part 2 crimes were up 1.2% from last year, down 11.9% from 10 years ago and down 31.2% from 20 years ago. Approximately 70% of crime in Rutland is alcohol and drug related.

Rutland United Neighborhoods (RUN), the Rutland Recreation Department and the Rutland Police Department sponsored Rutland's 8th Annual National Night Out. Special thanks to the volunteers and the NNO Planning Committee for making the event such a huge success. I would like to express my appreciation for the support the Police Department receives from Mayor Christopher Lours, the Police Commission, and other city departments. Additionally I would like to thank the supervisors of the Rutland Police Department and all the members of my department for their dedicated service and commitment to providing the best possible police services.

Day Shift I

During the 2010 fiscal year, the members of Day Shift 1 fielded 3,496 calls for service, made 182 arrests and issued 362 Vermont Civil Violation Complaints.

The members of Day Shift I, consisting of six sworn law enforcement officers and two civilian communications operators remained the same as in the 2009 reporting period for the first six months however, during the second half of the fiscal year, many changes took place. Sgt. Debra Perkins, Cpl. Charles Hall, Officer Dumas, Officer Schutt, Communications Operator Walters and Communications Operator Hale were joined by Officer Keith Lorman and Officer Ted Washburn in January 2010. Officer Washburn became one of two Downtown Beat Officers. His assignment schedule encompassed time on both Day Shift I and Night Shift I. Also during the month of January, Officer Sheldon left Day Shift I to fill the second Beat position. Former Officer Nesshoever

resigned in March 2010. Officer Steven Schutt was promoted to Corporal in May 2010 and subsequently assigned to Day Shift II. Officer Jennifer Czachor spent time on the shift while field training during the months of February and March and was later re-assigned to the shift, working on her own in May 2010 until being assigned to Night Shift II. In June, Officer Gary Tobin traded positions with Officer Washburn and School Resource Officer Chris Greene was temporarily assigned to the shift during school vacation for the summer.

Day Shift I would like to thank you for your continued support during trying times. We pride ourselves on staying focused and providing a professional service to the community.

Day Shift II

Day Shift II is one of two day shifts at the Rutland City Police Department and is currently comprised of five sworn law enforcement officers and two civilian communications operators. Two of the sworn police officers assigned to Day Shift II have served in their respective branch of the United States Military with all three Officers achieving a Non-Commissioned Officer rank prior to their completion of service and Honorable Discharge from active duty. Four of the sworn police officers and one of the Communications Operators assigned have completed post secondary education and hold a college degree in their respective field of study as well. One of the sworn police officers assigned has attended the Federal Bureau of Investigation National Academy at the FBI Academy in Quantico, Virginia where his studies concentrated on Interview / Interrogation strategies and Interpersonal Violence. In total, the sworn and civilian personnel assigned to Day Shift II represent 128 years of dedicated service to the Rutland Community.

In addition to the standard compliment of law enforcement training received during the course of their respective careers, Day Shift II personnel have additional specialized area(s) of law enforcement training and expertise. These specialized area(s) are, but not limited to; Police Mountain Bike Patrol, Police Defensive Tactics Instructor, Police Motor Cycle Operation, Traffic Crash Reconstruction, State certification to instruct traffic crash investigation, DataMaster Supervisor/Technician (infrared breath alcohol testing unit), Portable Breath Testing repair technician (field breath alcohol testing unit) and mobile video unit repair technician just to name a few.

Besides their assigned duties and required responsibilities, several members of Day Shift II have volunteered to serve on the Rutland Police Benevolent Association Executive Board as both a Board Member and President in past years. One member has also served as an Executive Board member and President of the Vermont Police Association and continues to serve on the VPA's Board of Trustees.

During the fiscal year ending June 30th, 2010, Day Shift II personnel were involved in the following events and duty assignments:

1. Assigned to over 3,569 criminal complaints and requests for service.
2. Assigned as assisting officer in over 1,498 criminal complaints and requests for service
3. Took 207 person(s) into custody for alleged criminal conduct (misdemeanor and felony crimes)
4. Initiated 583 traffic stops for deviant operation and violation of Vermont's motor vehicle laws and Rutland City traffic ordinances.
5. Issued 333 Civil Traffic Violation Notices to motor vehicle operators violating various requirements of Vermont's motor vehicle laws and Rutland City traffic ordinances.
6. Issued 397 verbal warnings to motor vehicle operators violating various requirements of Vermont's motor vehicle laws and Rutland City traffic ordinances.

Day Shift II personnel are also pro-active in their participation in the Rutland United Neighborhood Project and fully support the concept and practical application of Community Based Policing / Problem Solving. Day Watch II personnel also actively participate in, but not limited to, all Highway Safety campaigns (such as Click It or Ticket), Project S.T.A.R.T. (which addresses teenage drinking), National Night Out (which is designed to promote stronger interaction between the Community and their Police Department) and more.

Night Shift I

Night Shift I is one of the two night shifts that work the 1800-0600 shift at the Police Department. The members of Night Shift I consist of Sgt Linda Elrick (July 1st 2009 till Dec 2009) Sgt John Johnson (Feb 2010 to present) Cpl Andrew Todd, Officer Craig Hunt, Officer Frank Post and his Canine partner King Bricks, Officer Justin Souza, Officer Ted Washburn (July 1 2009 to Jan 1 2010), Communications operators Lynette Gallipo and Brad Hale(1800-2400).

These members represent many years of service to the City of Rutland, Sgt Linda Elrick began her career in Rutland in 1979, Sgt Johnson started in 1982, Cpl Todd in 2004, Officer Hunt in 2000, Office Post in 2002, Officer Souza in 2008, Officer Washburn in 2008, C/O Gallipo in 1997 and C/O Hale in 2008. Together these employees represent a significant amount of time and dedication to the City.

Of the members of the shift Cpl Todd, Officer Hunt, Officer Post and Officer

Souza all have completed post graduate study and have a college degree in their respective field of study.

The men and woman of night shift I would like to congratulate and thank Sgt Linda Elrick for her years of service to the City of Rutland and for her leadership to all of the Officers and Communications Operators that worked for her during her years as a Sergeant.

During the past year the members of night shift I have been involved in the following incidents and calls for service.

1. 3,120 assigned calls for service
2. Assigned to 2,066 calls as assisting Officers
3. Made 274 arrests for felony and misdemeanor violations
4. Made 843 traffic stops
5. Wrote 506 civil traffic violations.

Officer Post with his canine partner King Bricks responded to 125 calls for service that resulted in 33 arrests including 58 drug sniffs that resulted in 22 arrests. These drugs sniff removed \$ 9,400.00 worth of narcotics from the streets and money seizures of \$7,624.00. Additionally the team completed 16 tracks, 6 evidence recoveries and 19 assists to other agencies.

In May 2010 Cpl Todd, Officer Dumas and Officer Washburn were called to a local address to conduct a health and welfare check. When responding Officers arrived they observed a young child in the residence sitting next to a female who appeared to be unconscious. The Officers gained entry into the apartment to find that the female was not breathing, was unresponsive and was pale in color. The Officers used their training to clear the victim's airway and regain respirations. The victim was transported by the Regional Ambulance service and survived the incident due to the efforts of these Officers.

C/O Lynette Gallipo continues to perform child safety seat inspections as part of the Vermont Governors Highway Safety Program. Mrs. Gallipo has performed 45 seat inspections this year and received an award for excellence by the Governors Highway Safety Program for outstanding contributions to child safety, possibly saving the lives of two children who were involved in a crash after having the seats properly installed.

Officer Hunt continues to complete crime scene technician work for the shift handling at scene processing of fingerprints, photographs and collection of evidence.

I would like to thank each of the members of this shift for their hard work and dedication

Night Shift II

Night Shift II is one of two night shifts at the Rutland City Police Department. Currently assigned to Night Shift II are Corporal LaMoria, Officer Bartlett, Officer Richardson, Officer Chapleau, Officer Czachor, Communications Operator Dunchus and Communications Operator Towsley.

This year has been a big year for personnel changes on this Night Shift. I (Sergeant Prouty and K9 King Otto) became the shift commander in February of this year. Cpl Lamoria was promoted and came out of the Detective Bureau after serving in that capacity for over twenty years and Officer Czachor has been temporarily assigned to Night Shift II but only until August when she will be assigned to the Vermont Police Academy until November. For much of this past fiscal year Detective Ken Mosher was assigned to this shift but has since been transferred to the Rutland Police Department Detective Bureau. Detective Mosher was our Crime Scene Processor and Domestic Violence instructor.

I would like to take this opportunity to point out the extra efforts made by the members of Night Shift II. Corporal Lamoria in additions to his duties as a Patrol Corporal he also teaches a self defense class known as RADD and has taught this class all over Rutland County from Schools to the Rutland Recreation Department. Officer Bartlett in addition to his duties is on the Rutland City Police Department hiring committee and has been awarded the Highway Safety Award numerous times in recognition of his efforts regarding Highway Safety. Officer Richardson is an assistant instructor at the Vermont Criminal Justice Training Council (Police Academy) and co-teaches criminal law to new police candidates. This year will be Officer Richardson's second year assisting at the police academy teaching criminal law. Officer Chapleau in addition to her duties as a police patrol officer is a Training Assistant for the Police Academy and will be assisting in the fall class for new candidates.

Since January 2010 Night Shift 2 has handled 1382 calls for service, made 116 arrests, conducted 638 motor vehicle stops and issued 582 traffic tickets.

Administrative Support Unit

The Administrative Services Unit has undergone some very significant changes this last year with Cpl Larson retiring and the loss of two School Resource Officers due to manpower shortages. The ASU personnel worked diligently this past year in its support for the Rutland City Police Department and the Rutland Community. The unit with its varying scope of responsibilities has maintained high standards of service and community care during this reporting period.

The Administrative Services Unit is comprised of a uniformed Sergeant, a uniformed Community Policing Officer, a uniformed School resource officer, two civilian Records Custodians, and one civilian assigned to Animal Control.

The Administrative Services Unit continues to expand the services provided to the Rutland community. The requests for speaking engagements at local service clubs, schools and colleges has kept us busy. The interaction with the youth of the community has been very rewarding while providing information on Driving While Intoxicated to Rutland High School driver's Education classes, DARE classes to the Elementary classes and bicycle safety and Stranger Danger to pre school and Kindergarten classes.

The Volunteers in Police Service program continues to be a positive model of citizens and Police working together to provide community care on various levels.

National Night Out and the TRAID Picnic were also very well received by Rutland County citizens.

The DARE Program was very successful in the interaction between the School Resource Officer, teachers, counselors and parents. The use of the decision making model was demonstrated many times over this school year. The School Resource Officer was very active in teaching, counseling and mentoring.

Administrative Services Unit Statics:

Community Policing Officers

Officer Tuttle handled a total of 76 calls for services and complaints in addition to his other assigned duties. Officer Tuttle is responsible for the recruitment and testing of prospective applicants for the department and has processed approximately 125 applications this reporting period.

Officer Tuttle has also become the 'voice' of the Rutland Police Department by his bi-weekly appearance on a local radio talk show.

Records

The Records Custodians processed 13,633 calls for service reports, 698 motor vehicle collision reports (with a separate entry being made for each collision to the Agency of Transportation), 1,006 criminal arrests, and 3454 Motor Vehicle Tickets and 1043 Motor Vehicle Ticket Amendments. They also made finger print appointments for approximately 1,250 individuals.

The Records Custodians are the primary contact point for outside agency requests for information and during this reporting period they processed approximately 2340 for information for Insurance Companies and approximately 104 Data Research Projects.

School Resource Officers

Officer Greene handled a total of 171 Complaints in addition to his other school related duties. Officer Greene was also very active in the National Association of School Resource Officers, an organization that provided him with valuable

information, training and networking with other School Resource Officers.

Animal Control

Craig Petrie handled a total of 808 complaints and issued 40 Municipal Tickets and 14 warnings. Petrie transported 85 cats and 30 dogs to the Rutland County Humane Society. The complainants that ACO Petrie responded to include 102 Lost animals, 63 Stray animals, 10 animals injured by motor vehicles, 16 animals killed by motor vehicles, 44 animal bite cases, 122 nuisance animals (raccoons etc), 117 barking dogs and 43 cruelty cases.

I would like to take this opportunity to thank the men and women assigned to ASU for their dedication, professionalism and compassion. This diverse unit has shown that it can adapt to any situation and still provide service and support to the community and its citizenry. The members of this Unit strive every day to Serve and Protect Each Other, Our Community and Our Reputation.

Bureau of Criminal Investigations

The Bureau of Criminal Investigations is primarily responsible for the investigation of all major crimes, as well as a support service to the uniformed officers. We further assist the administrative support services unit of the department when needed. The investigation unit consists of detectives who have received specialized training in all areas of law enforcement. In addition, the crime lab offers another level of support services.

In the past 12 months, 372 new investigations were opened on a wide range of offenses, with many of these cases remaining active at this time, and possibly pending arrest. Some investigations literally go on for months depending on a number of different factors.

Detectives involved in the investigation of narcotics continue to be very busy, and have had another successful year in their efforts to identify and apprehend persons distributing illegal drugs in our community. The drugs, Heroin, powdered Cocaine and Crack were the majority of drugs in the past 12 months.

This past year has been a time when a number of serious criminal case's have required many long hours of investigative work, and these case's continue to be active as they near completion through the criminal justice system.

The crime lab is another busy area for the investigations unit. Many pieces of evidence are collected over the course of a year from various crime scenes. From there, the evidence gets evaluated, processed and packaged for delivery to the state lab.

The detectives unit further attended 523 hours of training in various fields of investigations throughout the year. It is extremely important to maintain a high

level of proficiency.

In the BCI Unit, some personnel changes were made in the past 12 months. The BCI unit is also pleased to welcome Det./Cpl Robert Gorruso from the patrol division to the investigations unit. Another new addition is Det Kenneth Mosher from the patrol division. Both are already in place and carrying a case load. Another change was the loss of Det. Raymond LaMoria who was promoted to the rank of Corporal and transferred to the patrol division of the department. Det LaMoria served many years of his career as a Detective. Another loss to the investigations unit was the retirement of Det./Cpl Chris Kiefer Cioffi , who retired in November of 2009 after 25 years of service to the City of Rutland. Chris was well recognized at her retirement party. We wish Chris well in her retirement. The third change of personnel was that of Det./Cpl John Johnson who was promoted to the rank of Sergeant and reassigned to uniformed patrol.

The current make up of the Criminal Investigations unit is as follows:

Det./Sgt Kevin Stevens, Det./Cpl Robert Gorruso, Det. David LaChance, Det. Michael Notte, Det. Samson Delpha, Det. Kenneth Mosher.

As part of the investigations unit, members continue to be proactive in the community and support many other agencies in their efforts. A new program started last year is the Rutland County Special Investigations Unit which specializes in sexual abuse case investigations. Det. Michael Notte is assigned to the specialized unit and is part of a team assigned to Rutland County. In their first full year of operation, the unit has completed many difficult cases involving long hours of work protecting the children of Rutland County.

Part I Crimes

Criminal homicide -

- a. Murder and non-negligent manslaughter: the willful (non-negligent) killing of one human being by another. Deaths caused by negligence, attempts to kill, assaults to kill, suicides, accidental deaths, and justifiable homicides are excluded. Justifiable homicides are limited to:
 1. the killing of a felon by a law enforcement officer in the line of duty; and
 2. the killing of a felon by a private citizen.
- b. Manslaughter by negligence: the killing of another person through gross negligence. Traffic fatalities are excluded. While manslaughter by negligence is a Part I crime, it is not included in the Crime Index.

Forcible rape - The carnal knowledge of a female forcibly and against her will. Included are rapes by force and attempts or assaults to rape. Statutory offenses (no force used - victim under age of consent) are excluded.

Robbery - The taking or attempting to take anything of value from the care, custody, or control of a person or persons by force or threat of force or violence and/or by putting the victim in fear.

Aggravated assault - An unlawful attack by one person upon another for the purpose of inflicting severe or aggravated bodily injury. This type of assault usually is accompanied by the use of a weapon or by means likely to produce death or great bodily harm. Simple assaults are excluded.

Burglary-breaking or entering - The unlawful entry of a structure to commit a felony or a theft. Attempted forcible entry is included.

Larceny-theft (except motor vehicle theft) - The unlawful taking, carrying, leading, or riding away of property from the possession or constructive possession of another. Examples are theft of bicycles or automobile accessories, shoplifting, pocket-picking, or the stealing of any property or article which is not taken by force and violence or by fraud. Attempted larcenies are included. Embezzlement, "con" games, forgery, worthless checks, etc., are excluded.

Motor vehicle theft - The theft or attempted theft of a motor vehicle. A motor vehicle is self-propelled and runs on the surface and not on rails. Specifically excluded from this category are motorboats, construction equipment, airplanes, and farming equipment.

Arson - Any willful or malicious burning or attempt to burn, with or without intent to defraud, a dwelling house, public building, motor vehicle or aircraft, personal property of another, etc.

Part II Crimes

Forgery and counterfeiting - Making, altering, uttering, or possessing, with intent to defraud, anything false in the semblance of that which is true. Attempts are included.

Fraud - Fraudulent conversion and obtaining money or property by false pretenses. Included are confidence games and bad checks, except forgeries and counterfeiting.

Embezzlement - Misappropriation or misapplication of money or property entrusted to one's care, custody, or control.

Stolen property; buying, receiving, possessing - Buying, receiving, and possessing stolen property, including attempts.

Vandalism - Willful or malicious destruction, injury, disfigurement, or defacement of any public or private property, real or personal, without consent of the owner or persons having custody or control.

Sex offenses (except forcible rape, prostitution, and commercialized vice) - Statutory rape and offenses against chastity, common decency, morals, and the like. Attempts are included.

Drug offenses - State and local offenses relating to the unlawful possession, sale, use, growing, and manufacturing of narcotic drugs.

Family/children (Offenses against) - Non-support, neglect, desertion, or abuse of family and children.

Liquor violations - State or local liquor law violations, except "drunkenness" and "driving under the influence." Federal violations are excluded.

Disorderly conduct - Breach of the peace.

Simple assaults - Assaults and attempted assaults where no weapon is used and which do not result in serious or aggravated injury to the victim.

Weapons; carrying, possessing, etc. - All violations of regulations or statutes controlling the carrying, using, possessing, furnishing, and manufacturing of deadly weapons or silencers. Included are attempts.

Prostitution and commercialized vice - Sex offenses of a commercialized nature, such as prostitution, keeping a bawdy house, procuring, or transporting women for immoral purposes. Attempts are included.

Gambling - Promoting, permitting, or engaging in illegal gambling.

Vagrancy - Vagabondage, begging, loitering, etc.

Driving under the influence - Driving or operating any vehicle or common carrier while drunk or under the influence of liquor or narcotics.

All other offenses - All violations of state or local laws, except those listed above and traffic offenses.

Report of the Recreation and Parks Department

EJay Bishop, Superintendent

To the Mayor, Board of Alderman and Citizens of the City of Rutland:

I am delighted to submit the annual report of the activities and accomplishments of the Recreation and Parks Department for the fiscal year of 2009-2010. The Recreation and Parks Department is proud to provide services and opportunities enhancing the overall quality of life for the citizens of Rutland.

After nearly eight years in the planning stages, the voters in the City of Rutland finally had a chance to weigh in on whether to renovate the Giorgetti Arena to become a multi-use recreational facility for all ages and the home of the City's Recreation Department and the Boys and Girls Club of Rutland County. The vote was close especially considering the magnitude of financial questions on the ballot. However, it failed by over 400 votes. Given the circumstances and based on the results, the project will be brought back to the public for another consideration. As stated in at least the last ten annual reports, Dana is supposed to be a short term temporary home for the recreation department until such time that a suitable facility was built. Unfortunately, Dana continues to get older and with every year more maintenance issues crop up. We have made many repairs and maintained the building to the best of our ability given the resources we have had. However, the building has moved beyond manageable and sensible repairs. It is time to properly address the lack of an appropriate indoor facility for recreation in the City of Rutland. The responsible plan would be to sell Dana and put it on the tax rolls assuming the school department has no use for it and get out from under the liability it has become to the city. Choosing to keep the Recreation Department at Dana will force the taxpayer to incur a tremendous capital expense to rehabilitate a facility that has outlived its public usefulness and even if it were to be rehabilitated the building was not designed to effectively and efficiently meet the recreational needs of the people. Something must be done now!

Rotary Park continued to take steps towards retaining its place as one of the several jewels in the city park system. This year the biggest step forward was the completion of a new playground. The local Rotary Clubs continue to play an important role in assisting us with reclaiming and improving many areas around the perimeter of the park. These steps combined with continued efforts to revitalize the park by finishing the renovation of the building, establishing a walking path and properly draining the field ensures the much needed overhaul of the park. It's nice to see tennis being played on the new courts, children playing on the playground and folks just generally enjoying the park again!

Giorgetti Park received significant development as we continue to work on the entire park. The biggest indoor addition came by way of a new bike shop. The Pine Hill Bike Shop opened to the public in June providing a nice connection to the activities that take place in Pine Hill Park. We were fortunate to have found an experienced and highly competent manager and bike technician in Doug Earle. The shop is a full service bike shop with rental bikes for mountain biking and a sufficient variety of accessories for the avid biker. Flip Side Skate Park was enhanced this spring with some modifications and additions to the ramp system. The refrigerated ice arena opened for the third year and by all accounts continues to improve. Both operations provided quality services to many people throughout the city. Outside, the park has begun receiving additional development that will provide quiet enjoyment of the natural environment in and around the park. Pine Hill Park is still thriving and we thank everyone who has contributed to its success especially the Pine Hill Partnership for their continued support of the trail system.

With the gracious donation from the Head Start program and the hard work of our maintenance staff, River Street Mini Park finally received a complete face lift. The park has a new playground and all of the grounds were spruced up with new areas of grass and pruned trees. All of our other parks continue to be maintained and in some case improved by our maintenance staff over the course of the year. The YouthWorks organization came back for another summer and assisted us in many of the parks. We are greatly indebted to them for their positive impact to the quality of life in the City. The pool at White Park enjoyed one of its busier seasons as many guests cooled off or swam in Vermont's largest outdoor municipal pool. The Godnick Adult Center was very active throughout the year and continues to offer an array of fine programming for our adults.

The department presently provides programs attracting approximately 10,000 participants per year. Special events presented by the department draw 20,000 to 25,000 people yearly. The larger facilities conservatively combine for over 85,000 visits per year not including everyday use of the smaller parks. This department continues to provide a wealth of services far beyond the normal expectations of a City this size and the level of resources available. The combination of volunteers, local organizations, businesses, part-time staff and our full-time staff provide the resources necessary for this department to flourish. Thank you for continuing to allow me the privilege to serve you.

Sincerely,
EJay Bishop, Superintendent

Facilities

Alexander Keefe Memorial Park - Located on Water Street
Playground equipment

Center Street Alley Park - Located inside the downtown block formed by Wales, Center, Merchants Row and Washington Streets.
Benches & picnic area.

Cioffredi Complex - Located off Temple Street
2 Softball Fields and open space.

Community Gardens - Located off Woodstock Avenue behind McDonalds
Garden plots available for public use

Dana Recreation Center - 39 East Center Street
Telephone # 773-1822; Fax # 775-2030
Recreation Department offices, program/meeting rooms, and gymnasium, playground and small field space.

Additional offices for:

Killington Music Festival, Drum Journey's of Earth, RAPAC

Classroom and conference space for:

Rutland Mental Health, Head Start Classroom

Depot Park - Located on the corner off Merchants Row and Evelyn Street.
Benches and gardens, home of the Farmer's market from spring thru fall.

Giorgetti Park - Located off Oak Street Extension,
Telephone # 775-7976, Bike Shop # 775-7980.
30 acres with 1 Baseball Field, 1 Softball Field, Giorgetti Arena (Flip Side Skate Park, Pine Hill Bike Shop & an ice-skating rink) open fields and the trail access to Pine Hill.

Godnick Adult Center - 1 Deer Street
Telephone # 773-1853
Recreation Department offices, program/meeting rooms, exercise room, meal site, gazebo, shuffleboard courts, & open space.

Justin Thomas Memorial Park -
Located on the corner of Madison and Prospect Streets
Gazebo, playground equipment and picnic tables.

Main Street Park - Located on Main Street between West and Madison Streets
Arboretum, bandstand and benches.

Monsignor Thomas Connor Memorial Park - Located off Meadow Street
2 Basketball Courts, 3 Tennis courts, 2 Softball Fields (one with lights), open fields, and playground equipment.

Pine Hill Park - Located off Oak Street Extension.
275 acres with 16 miles of trails designed for hiking and mountain biking.

River Street Park - Located on the corner of River and Meadow Streets
Playground equipment and picnic tables

Rotary Park - Located off North Street
Field House, 2 tennis courts, 1 basketball court, 1 youth baseball field, open fields & two handball courts.

White Memorial Park - Located at the end of Avenue B
Swimming & wading pools, pool house, 1 youth baseball field, 5 tennis courts and 2 basketball courts.

Full Time Staff

EJay Bishop, Superintendent
Cindi Wight, Recreation Director
Lori Hickey, Program Director @ Godnick Center
Jay Thomas, Program Director
April Cioffi, Program Director
Jane Brown, Preschool Director
Bob Peterson, Parks Director
Jay Siliski, Maintenance Foreman
Jeff Pratt, Maintenance Specialist
Steve Canney, Maintenance Specialist
Ed Griffiths, Maintenance Specialist

Capital Needs

- Establish a capital replacement fund, which will allow for enhancements and renovations to all City parks and facilities. Many of the existing parks and recreation infrastructure are in great need of repair, replacement or major renovation.
- New Community Recreation Center

DANA RECREATION CENTER PROGRAMMING

The Dana Recreation Center is the main office for the Rutland Recreation and Parks Department. Located at 39 East Center Street, the Dana Center offers a wide selection of programs, services and activities for the citizens of the community. The following is a list of all the programs and activities offered this year through the Dana Recreation Center:

SUMMER PROGRAMS

Adult Pick-up Volleyball	ages 18 & up
Advanced Sports Camps	grades 3-12
Art Camps (mosaic & collage)	grades 5-8
Baseball "Game" Camp	ages 9 to 12
Basketball Camps	grades 1-12
BMX Biking	ages 5 & up
Camp Danamore	grades 1-3
Camp Pine Hill	grades 4-6
Challenger Soccer Camp	ages 4 to 16
Chess Club	all ages
Community Gardens	all ages
Fencing	ages 12 & up
Field Hockey Camps	grades 2-12
Football Skills Camp	grades 5-8
Golf Camp	ages 7 to 14
Hoops Explosion	grades 5-8
Integrative Yoga	ages 18 & up
Lacrosse Camp	grades 4-12
Learn to Skateboard Camps	ages 5 & up
Outdoor Expedition Camp	grades 6-9
Open Swim	all ages
Preschool Camps	ages 3 to 5
Pre-Season Soccer Camp	grades 7-12
Quarterback/Receiver Camp	grades 4-8
RAD for kids	ages 5 to 7
Shakespeare Production	grades 7-12
Skateboard Extreme Camps	ages 5 & up
Soccer Camp	ages 7 to 14
Sports Starter Camp	ages 3 to 5
Strength Training	ages 18 & up
Summer Basketball League	ages 13 & up
Summer Running Series	all ages
Summer Youth Baseball Leagues	grades 4-12
Swimming Instruction	all ages
Swim Team	ages 5 to 19
Tai Chi	ages 18 & up
Tennis Explosion	ages 6 to 14
Tennis Camp	ages 6 to 15
Theater Camp	ages 6 to 18
Track Camp	ages 6 to 14
Youth Theater Play	grades 7-12

FALL PROGRAMS

Adult Volleyball Leagues	ages 18 & up
Bow Safety	ages 10 & up
Cheerleading	grades 4-8
Chess Club	all ages
Duathlon	all ages
Fencing	ages 12 & up
Guitar	ages 18 7 up
Hunter Safety	ages 10 & up
Integrative Yoga	ages 18 & up
Preschool	ages 3, 4 & 5
RAD (rape aggression defense)	ages 18 & up
Rock Climbing	ages 2 to 12
Strength Training	ages 18 & up
Tai Chi	ages 18 & up
Trail Race (10K)	all ages
Youth Field Hockey	grades K-6
Youth Flag Football	grades 4-8
Youth Soccer	ages 4 to 12
Youth Tackle Football	grades 7 & 8
Youth Theater Workshops	grades 1-8

WINTER PROGRAMS

Adult Basketball League	ages 18 & up
Adult Coed Hockey	ages 18 & up
Adult Men's Hockey	ages 18 & up
Adult Volleyball Leagues	ages 18 & up
Broomball	all ages
Cheerleading	grades 4-6
Chess Club	all ages
Cookies with Santa	ages 1 to 8
Curling	ages 9 & up
February Vacation Camp	grades k-6
Fencing	ages 12 & up
Figure Skating	ages 7 & up
Ice Skating Instruction	ages 2 & up
Integrative Yoga	ages 18 & up
Open Skate	all ages
Preschool	ages 3, 4 & 5
Preseason Basketball Clinics	grades 4-8
RAD (rape aggression defense)	ages 18 & up
Rock Climbing	ages 2 to 12

Santa Phone Calls	ages 1 to 12
Spanish	ages 5 to 12
Sports Starter	ages 3 to 5
Stick and Puck	all ages
Strength Training	ages 18 & up
Tai Chi	ages 18 & up
Youth Basketball	grades 1-12
Youth Theater Workshops	grades 1-12
Youth Theater Holiday Play	ages 5 to 18

SPRING PROGRAMS

Adult Soccer	ages 30 & up
Adult Softball Leagues	ages 18 & up
Adult Volleyball Leagues	ages 18 & up
Boating Safety	ages 10 & up
Chess Club	all ages
Coed Dodge Ball	ages 18 & up
Fencing	ages 12 & up
Hunter Safety	ages 10 & up
Indoor Field hockey	ages 5 to adult
Indoor Football	grades 5-8
Indoor Lacrosse	ages 5 to 12
Indoor Soccer	ages 5 to adult
Integrative Yoga	ages 18 & up
Preschool	ages 3, 4 & 5
Preseason Baseball	ages 5 to 8
RAD (rape aggression defense)	ages 18 & up
Rock Climbing	ages 2 to 12
Rugby	grades 9-12
Spanish	ages 5 to 12
Strength Training	ages 18 & up
Youth Baseball	ages 5 to 12
Youth Lacrosse	grades 1-9
Youth Soccer	ages 4 to 17
Youth Softball	ages 9 to 14
Youth Theater Musical	ages 5 to 18
Youth Theater Play	grades 3-8

SEASONAL ACTIVITIES

Ice-activities at Giorgetti Arena (November thru February)
Swimming at White Pool (June thru August)
Flip Side Skate Park at Giorgetti Arena (May thru September)

SPECIAL EVENTS

50th Annual Halloween Parade	Downtown Rutland
Art in the Park	Main Street Park
Bicycle Rodeo	Godnick Adult Center
14th Fall Soccer Jamboree	Giorgetti & Monsignor Connor Parks
Fishing Derby	Combination Pond
Girl Scouts Sports day	Spartan Arena

Report of the Rutland Free Library Association, Inc.

Paula Baker, Director

The challenges of delivering 21st century library services in a 152 year old building designed for 19th century federal business are significant enough, but this year the building itself demanded center stage as trustees, city officials and ultimately voters weighed in on its future use and maintenance.

Starting the fiscal year with leaking roofs and mold due to flooding and constant moisture problems, the trustees had commissioned a comprehensive building report from NBF Architects. That report identified multiple problems with a basically sound structure, and estimated repairs at over \$1,000,000. Considering costs and the struggle to adapt the building for changing library services, the library board considered vacating the city structure for new quarters. As trustees eventually rejected that option, city officials gave voters an opportunity to support a special issue at \$500,000 that would permit the city to apply for a federal stimulus grant and related loan at an attractive rate to address the most urgent repairs. Voters said yes, two to one and the grant application went forward. News of its award and a larger grant than anticipated came as the fiscal year ended. The roofs are to be replaced, along with a redesign of drainage needs, dehumidification of the basement and possibly attic insulation in the coming year.

When not wrestling with building issues, library staff were busy with burgeoning use, active programming efforts, two exciting grants and the preparation of a new website, scheduled for launch this August. Programs like the Vermont Humanities 1st Wednesday lecture series lined up with a myriad of other programs brought a 10% increase in attendance. Special programs for children during vacation periods, the summer reading program and the Babies & Toddlers Rock music program also attracted higher attendance than previous years. When community programs held by individual groups in the Fox Room are added to the mix, over 8,000 people attended Fox Room events. The total visitor count for the library jumped up 9%; the circulation of books and other materials went up 10%; use of the Internet and library catalog jumped to 30%, while reference assistance was up 7%.

Kindles, I-pads and Nooks will be coming to the library this year for loan and in-house experimentation, along with more Internet access stations, and laptops for classes outside the library walls with the receipt of an equipment grant through USDA/Rural Development. And if that isn't enough, library visitors will be able to checkout their own materials, affording privacy when desired and speed during our busiest times when the self-check system becomes available in 2011. This special grant will also permit the library to overhaul the nearly twenty-year old security system as well. The state library was busy with grant writing as well

and announced the procurement of a separate stimulus fund grant, which will bring broadband to selected libraries throughout the state, including Rutland Free Library.

The year ended with Jake Sherman's announcement of his intention to retire after 38 years of reference desk and cataloging services at 10 Court Street. A special reception has been planned for September 26th, from 2-4 pm to honor him and everyone is encouraged to stop by and say good-bye.

The library, supported through the generosity of donors, underwriters, taxpayers from Rutland City, Rutland Town, Mendon, Ira and Tinmouth, and our terrific Friends of the Library, is a hub of information services AND a community living room. These folks, plus volunteers, trustees and Friends board members have all joined efforts with staff to keep the doors open, the information fresh and the welcome mat dusted off.

Paula Baker, Director

Report of the Rutland City Board of School Commissioners

Peter Mello, President, Board of School Commissioners
Mary E. Moran, Superintendent of Education

TO THE CITIZENS OF RUTLAND CITY:

Rutland City Public Schools is a learning organization that provides an outstanding educational opportunity to 2500 students at seven schools, two alternative sites, and the Stafford Technical Center. Our superior faculty and staff members focus on the needs of each and every child on a daily basis. Our new District Mission Statement concludes with this pledge/belief: "Every Student, Every Day." What follows is a basic and brief report on the status of the system.

Northeast and Northwest Primary Schools each serve approximately 250 and 290 students respectively in the Early Essential Education Program (EEE) through Second Grade. The Pierpoint Primary Learning Center, located at the former regional library, houses three EEE classrooms and is part of the Northwest/Pierpoint Primary School community.

The Rutland Intermediate School, located on Library Avenue, serves approximately 625 students in Grades 3-6. The Rutland Middle School, also located on Library Avenue, serves 305 students in Grades 7 and 8. Rutland High School, on Stratton Road, serves 1050 students. Approximately 230 students attend the full time program at the Stafford Technical Center, and over 800 adults take part in our Adult Education Program. Stafford programs continue to support educational and training opportunities for both the youth and adult populations of Rutland County.

The number of tuition students attending Rutland High School from Rutland Town, Mendon, Chittenden, Danby, Ira, Middletown Springs, Mt. Tabor, Pittsfield, Plymouth and Stockbridge remains strong. Continued progressive programming, including a large number of Advanced Placement and honors courses, an infusion of modern technology, the YES Plan and many additional offerings in the Fine Arts, have contributed to the consistent attractiveness of Rutland High School as the most popular school of choice for parents and students in the tuition-paying towns.

The Rutland High School Howe Center Campus serves 40 high school students in an off-campus alternative education and service-learning program designed to prevent students from dropping out of school. The SUCCESS School, located on Allen Street, serves approximately 50 students in grades K-12 who have had difficulties in adapting to a traditional classroom and school environment. This is a model program, which combines academics, adventure-based learning, work

and community service, and therapeutic services for students and their families in a way that better meets their needs, both in school and in the community.

We also offer an extensive co-curricular program for students from grade 3 through grade 12. In addition to a comprehensive athletics program, there is a wide range of clubs and activities that support student learning and development and keep our children active and safe in the after-school hours of each day. The Rutland City Fine Arts program is one of the finest in the nation, and has been recognized as such on two recent occasions. We invite citizens to attend the many music and theatrical performances of our students both in the schools and at the Paramount Theater, and to attend the various visual art displays around the community and at the Chaffee Art Gallery. In addition, the nationally recognized Tapestry Program serves over 600 children in after-school and summer programming offering extensive enrichment, tutorial, counseling, cultural and recreational opportunities.

Each school in Vermont strives to achieve, and is measured against, the Vermont Grade Expectations (GEs). The GEs are standards for all students that are measured in a number of ways. First, the state mandates that students in grades 3 through 8 and grade 11 be assessed using the New England Common Assessment Program (NECAP). For 2009, the Rutland City Public Schools as a district and each school individually achieved Vermont's targeted standard, known as Adequate Yearly Progress (AYP), for "all students." Students are also assessed using local tests and in class evidence of progress toward the same Grade Expectations. These assessments are used to design instruction and target intervention, or extra help, for students in need.

The health and well being of our students is at the forefront of our thoughts. After all, a healthy student will achieve more academically than a student carrying a number of risk factors. The 2009 Vermont Youth Risk Behavior Survey contains information about the health and lifestyles of students around the state and within the Rutland City Public School district. We monitor the data from this state-generated survey as well as local data to organize our health and wellness resources in support of students and families in Rutland. We are extremely proud of our ongoing relationships with community health and wellness agencies including Rutland Mental Health, Rutland County Head Start, the Department of Child and Family Services, the Rutland Regional Medical Center, and Rutland's Police and Fire Departments.

Your school district continues to operate in a mode of continuous improvement with a focus on professional development and student achievement. We have a major focus on student literacy Pre K through grade 12, and are implementing a strong co-teaching program that allows regular education teachers and special educators to work in the classroom as a team in the service of our children. In addition to ongoing projects, teachers and administrators have recently developed a comprehensive, four-year, K-12 literacy plan.

Our use of instructional technology has expanded greatly and we are using Smart Technology to improve teaching and learning, K-12. Last year, we implemented the AlertNow communication system which was very well received throughout the community. In addition, we implemented a new student information system (SIS) called Infinite Campus, which allows us to coordinate all information relating to students and follow their progress over time. The Parent Portal of Infinite Campus allows detailed information about their children to be shared with parents. We urge parents to make use of this important tool.

Rutland City Public Schools strive to offer an outstanding learning experience at a reasonable per pupil cost to the city taxpayers. For this school year the district's per-pupil cost is 10% below the state average for all districts, as is shown on the FY10 State education property tax bills. It is important to note that our district ranks 62nd of the 62 school districts in Vermont in spending on administration. In Rutland, we offer an outstanding educational opportunity for all of our children at a lower cost than the majority of the school districts in the state.

We look forward to continuing to work with you, our staff, and the students and families of Rutland City as we strive to provide the very best possible education for our community. "Every Student, Every Day"

*In FY10 Rutland City Homestead Tax payments to the State Education Fund, net of prebates and rebates, are \$4,436,581. FY10 Rutland City Non-Residential Tax payments are \$ 7,425,159 for total payments into the Educational fund of \$ 11,861,740,toward the cost of educationg all Vermont schoolchildren.

Rutland School Department

In accordance with Rutland City Board of Education Policies, a free appropriate public education for all children with disabilities is guaranteed. If your child is disabled, or you know of a child with a disability from birth through age 21 who is not currently being served, please contact the Support Services Office at 773-1917.

Report of the Treasurer's Office

Wendy L. Wilton, Treasurer

To the Honorable Board of Aldermen, Mayor & the Citizens of Rutland City

The year ending June 30, 2010 was a year of stability in the operation of the Treasurer's Office. Additionally, the City restructured significant debt obligations which will save money in the future. Unfortunately, it was also a year of discovery concerning unfunded liabilities for the City relating to pension and post employment benefits which have accumulated dramatically since 2001.

FY 2009 Audit

The City's audit for fiscal year (FY) 2009 represented a qualified opinion, which was a significant improvement over the adverse opinions the City has received for many years. The number of findings was significantly reduced as the operation has stabilized through sustained improvement efforts. Emphasis has been given to continued professional development of Treasurer's Office staff in FY 2010 to continue our positive compliance trend.

Restructuring /Changes to Long Term Debt

During FY 2010 the City agreed to a settlement of \$3.8 million related to the water treatment plant roof failure. This amount, when received, will be used to pay down the SRF bond used to repair the water plant roof (currently at \$6 million). This principal reduction will dramatically reduce principal and interest payments in the Water Fund. Shortly after the close of FY 2010 the City's current expense note, which was used to fund a \$5 million deficit in 2006, was refinanced. The new loan has an interest rate of 3.6% fixed rate; this provides a substantial opportunity to reduce interest expenses as the previous loan was at 5.82% interest. The refinance provided cash due the General Fund from the Water Fund that was repaid in July 2010.

The City did not require a tax anticipation note in either FY 2009 or FY 2010.

Unfunded Liabilities

To meet compliance in FY 2009 the City was required to report the unfunded liability associated with other post-employment benefits (OPEB) in our annual audit for the first time. These are primarily future healthcare benefits for retirees. Unfunded pension liabilities, based on actuarial valuation, have been reported in the annual audits for sometime. The magnitude of the City's OPEB liability as of June 30, 2009 was reported as \$15.9 million; this represents the future costs of health care coverage for active and retired employees as required by contractual obligations. Rutland Public Schools does not offer post employment benefits and therefore has no OPEB liability.

The City's unfunded pension liability was reported as \$11 million for the City, and \$12.8 million for the Rutland Public Schools' portion as of January 1, 2010. The pension was reported as 69% funded as of January 1, 2010. Together, the unfunded liabilities relating to OPEB and pension total \$39.7 million which is one and one half times greater than the combined long term bond and loan debt of the City and the schools. This should be a prime concern of the City.

These liabilities were reported to the Board of Aldermen in February 2010, and it has been the topic of nearly every Pension Board meeting. An extensive presentation was delivered to the Board of Aldermen and the public via local access at the June 21, 2010 Board of Aldermen meeting. This presentation has also been posted on the City website: www.rutlandcity.com, under City Departments/Treasurer's Office/Employee Retirement Plans.

Preliminary FY 2010 Results

During fiscal year 2010 regular reports were given to the Board of Aldermen, department heads and the public (via the City website) based upon reconciled accounts. The City's books were closed on June 30, 2010. Preliminary year to date, unaudited results indicate an excess of revenue over expenditures of approximately \$900,000. This amount was applied toward taxpayer relief when the tax rate was set in July for FY 2011. The application of \$900,000 of the City's fund balance limited the increase in municipal taxes to 3.6%. However, this modest increase was overshadowed by the increase in residential education taxes of 9.4%, resulting in an overall increase of 6.5% for homestead residential properties. The City budget for FY 2011 is the first City budget to be approved by the voters.

Audit fieldwork began on September 7, 2010 for the year ended June 30, 2010. Delinquencies for tax and utility bills at year end were similar to the prior year despite the soft economic conditions due to sustained collection efforts of the Treasurer as Delinquent tax Collector.

Audited financial statements are expected sometime in December 2010 and will be posted on the city website when available: www.rutlandcity.com Preliminary year end reports for the general fund, water fund, sewer fund and parking meter fund are available on the website, comparing budget to actual results.

The City Treasurer's Office collects revenue from 7,000 taxable parcels, over 6,000 water & sewer accounts, parking tickets and other income for the City at our office, through the mail, automatic payment and by credit card. The City Treasurer's Office disburses the City's bills and payroll and provides benefits administration for all City employees, including the City Pension. The Treasurer's Office records and regularly reports the financial transactions of the City. All of these tasks could not be completed without a dedicated, competent and skilled staff which includes: James Manning, Penny Stein, Julie Tripodi, Cathy Cioffi, Dawn Papineau-Curtis, and our part-time staffers John Coffin,

Jody Breault, and Mary Ellen Shaw. My special thanks to our previous part time human resources staff member, Margaret Dugan, who helped us improve in many ways.

As a part of the Treasurer's report, please find the following reports included:

- Bank balances as of June 30, 2010
- City Tax rates for FY 2011 compared to FY 2010
- Schedule of Debt and Serial Bonds, as of June 30, 2010
- Fiscal Year 2010 Disbursements, by Vendor
- Fiscal Year 2010 compensation for City employees (both City and School)
- List of Unpaid Taxes as of June 30, 2010
- List of Unpaid Water and Sewer Accounts as of June 30, 2010

*Current Expense Note (deficit repayment) was refunded in July 2010 to a new \$6 million CEN at 3.6% to include Water Plant Roof litigation costs and final construction, one year ahead of the anticipated balloon payment due June 2011. SRF Roof Bond is anticipated to be reduced by the receipt of a \$3.8 million settlement from the litigation related to the water plant roof failure. P&J payment will be reduced to \$133,791 annually thereafter.

The following is a list of payments made to vendors and individuals from the City of Rutland's General Fund. Payments in excess of \$300 are listed below. Many of the items are disbursement payments for which the City received funds from another source. Please note that while payments are made from City accounts, many those payments are actually "pass throughs" from the City to an outside vendor.

List of Unpaid Taxes as of June 30, 2010

The list of unpaid taxes as it appears on the records of the City of Rutland as of June 30, 2010 pursuant to 1 VSA Chapter 5, Subchapter 3. Persons listed are the owner(s) of record as of April 1 the year preceding the tax year as shown. Subsequent to the date are taxes that are delinquent. The City realizes that transfers may have occurred subsequent to April 1 and that taxes became due and delinquent and such listed individual(s) may not be responsible for the amounts indicated. Amounts shown are taxes only, exclusive of interest and penalties.
